## Profile

Enthusiastic and compassionate teacher, fluent in English, with over 4 years of experience in teaching ESL. Additionally, I have 7 years of experience in the business and design industry. I am dedicated to supporting students' development and helping them excel in their studies. I create conducive learning environments that foster growth and achievement. My expertise includes behavior management, student counseling/support, and exam invigilation.

## Teaching experience

### Aug 2022 - Jun 2023 / Lighthouse Canadian International School

At Lighthouse, I have served as a homeroom teacher for Grade 2 students at the Primary level. In this role, I have been responsible for teaching all core subjects as well as PHSE. I actively promote retrieval practice in my classroom to facilitate student growth.

### Aug 2021 - Jun 2022 / Surat Thani International School

At STIS, I have served as a homeroom teacher for Grade 2 students at the Primary level. In this role, I have been responsible for teaching all core subjects as well as PHSE. I actively promote retrieval practice in my classroom to facilitate student growth

### Apr 2018 - Oct 2019 / Patai Udom Suksa

I have been employed as a full-time English, Art, and Design teacher in the International Program for primary students, specifically from P1 to P6 and P9. Additionally, I provide support for six extra classes per week focusing on Integration studies

### May 2014 - Oct 2014 / Princess Chulabhorn's College

Volunteered as a teaching assistant. I worked in the school for a period of approximately 6 months. Primarily, my role was to give extra support to students that were falling behind.

### Jun 2014 - Aug 2014

Whilst spending time in Satun, I work for a private tutoring company; my role was to plan and teach english language lesson, focusing on specific areas of the main curriculum. My overall aim was to familiarise the students with the correct phonics. I also assisted with any homework that may have had from school.

### Additional Experience:

NWEA's MAP test procter and system management trained.

For the past 7 years, I have been working in the design and marketing industry. My role in management can consider as similar to a teacher. The job required patience, determination. I am proficient with technology and possess a vast knowledge of computer hardware and software.
